MEET ME IN GREENSBORO

Our NC District Convention is just 3 days away. If you haven't packed, right after you read this Governor's Bulletin, get that little job done. Don't run out and buy new clothes; no one remembers what you wore last year! (or the year before) Bring all your favorite Pilot stories and save some room in your suitcase to take home the wonderful memories and new ideas you will gain at the convention.

The CONVENTION at a glance!

- Friday night—Hats off to Service, a celebration of Pilot service and cocktails (5:45 pm); Pilot luminaries and Market Place wares.
- Saturday—Vicki Dull tells us volunteers are a gift; taking care of business; clubs and growth; recognizing and awarding clubs at work; workshops running concurrently with COL.
- Saturday night---Officer Installation; Mardi Gras, Greensboro style.
- Sunday morning---Memorial Service; preparing for a new Pilot year AND best wishes to our new DAC!

There is so much more going on than I have mentioned, but I hope something caught your eye. It will be a fun time.

I am so proud of the North Carolina Clubs and their continued work on the 501c3 paper work. Very soon we will be off the "list" at PI! It has been a long road, but we are about there.

I don't want to give away all the convention surprises, but I know you will be as pleased as I am with our "growing membership". Thank you for making Pilot a vital part of your communities. All you do for Pilot is important and appreciated.

Share your Pilot story as you continue to GROW and SERVE with JOY.

In Pilot Friendship,
Harriett

Things to Remember

- 2013-2014 officer list to Leann, due yesterday!
- Club Presidents, bring banner to Convention.
- Travel safely to convention on Friday.

PIHQ Announces

Debbie Brown, former PI accounting assistant and member records manger has retired. Pilot International and Debbie have shared 30 years of friendship and service. Debbie is wished all the best and she will be missed.

PIHQ welcomes new team member, Teresa Corley as the accounting/membership records administrator. She brings over 20 years of experience in the field to PI. Please note that Founders Fund is the NEW PIF/PI.

The PI Convention and Leadership conference is just a few short weeks away. The New Orleans Conference is July 10-14, 2013. Be sure to register before June 1 and take advantage of the early bird registration fee of \$275.00. This is also the time to decide which extra things you want to do while at the convention/conference. Pi is doing a great job of marketing the tours and special events. Please check the web and Pilot Log. Lots of choices for having fun! There are also opportunities to support PI, Founders Fund and other fund raising activities such as "Summer of Lagniappe". Did you know that the New Orleans School of Cooking is offering "What's Cooking with Pilot"? Stay tuned for details.

If your club is unable to send a delegate to the convention, remember the club is still responsible for 1 full registration. Exceptions require a letter to PI.

CHAPLAIN'S CORNER

It is with great sadness and a heavy heart that I advise of the passing of Past District Governor, Mary Finch, 1982-83, Pilot Club of Roanoke Valley. She will be missed by all whose lives she touched. Our sincere condolences are extended to the Pilot Club of Roanoke Valley.

Also our belated condolences are extended to the Pilot Club of Laurinburg in the death of Kathleen Burns.

Those experiencing illnesses we pray you will be feeling better soon.

In Psalm 116 the psalmist shows that he identifies with the pain of the bereaved and he turned to the only one who will dry all of our tears. Likewise, we must turn to God and His word for comfort in our times of sorrow.

Janelle Ezzell, NC District Chaplain

Anchor clubs and Sponsors

PI is offering a great opportunity for Anchors to attend the PI Convention and Leadership Conference in New Orleans. Free registration is part of the package. Please contact Deanna Dula-Moore, District NC Youth Coordinator, if interested. Wonderful opportunity for Anchors! (Also, Winnie Brewer, PI President, and Deanna will conduct a workshop about Anchors at the convention.)

Cary Pilot Club shares news

Amanda Benson, Cary Pilot Club member, tells us that 2 festivals for the area are coming. Cary Train Day is May 11 from 9:00 to 3:00 in downtown Cary. 4000-5000 people are expected. The club hopes to attract new members as they tell their Pilot story.

Apex Pig Fest is June 22 from 8:00-3:00. The Cary Club will sell aprons at this event that will have an estimated attendance of 15,000.

To North Carolina Pilots

"Don't walk in front of me, I may not follow.
Don't walk behind me, I may not lead.
Walk beside me and be my Friend".

Happy Mother's Day
